

Charities being supported in 2021 Swimathon

Name of Charity Surrey Search and Rescue

Surrey Search and Rescue is a 100% volunteer specialist search team, its members are on call 24/7 365 to assist the Police searching for High Risk and Vulnerable missing adults and children.

The charity receives no formal funding from Central or Local government so is reliant on grants and donations to fulfil its lifesaving work.

Name of Charity Woking & Sam Beare Hospice

As a patient-led charity Woking & Sam Beare Hospices, serving the local community, are committed to ensuring they are compassionate, professional, and accountable.

It is their pledge to deliver the very best in specialist palliative care, to the highest standards 70% of which is delivered in patient's homes.

The care and support that the Hospices provides is uniquely special and it is their common goal to ensure the best quality of life for all their patients, their carers, and families.

Name of Charity SERV (Bloodrunners)

As a charity we are very busy, delivering blood products and equipment to our own hospitals in Surrey and London as well as down to the transfer point for delivery out to Kent and Sussex. Alongside occasional transfers from Wessex and further afield. With our controllers manning the phone all night we have motorcycle riders and car drivers volunteering their time, vehicles, and petrol to supply the urgent requests to the hospitals. Our marked fleet now consists of a car, a van, a 4x4 and several motorcycles. These are invaluable to keep the blood moving, especially for volunteers who do not have a suitable vehicle of their own to use.

Other local charities supported by Rotary Club of Woking Benevolent Fund
